### SPEAKERS

#### ▶ KEVIN SABET, Ph.D.

Author, consultant, advisor to three U.S. presidential administrations, assistant professor, Dr. Sabet has studied, researched, written about, and implemented drug policy, and has closely followed Washington State and Colorado policies related to marijuana. Dr. Sabet is the Director of the Drug Policy Institute at the University of Florida and an Assistant Professor in the College of Medicine, Department of Psychiatry. With Patrick J. Kennedy, he is the co-founder of Project SAM (Smart Approaches to Marijuana). He will present on the pending vote to legalize recreational marijuana in the State of California, as well as brain and cognitive issues pertaining to youth marijuana use.

#### ▶ CHELSEY CLARKE, HIDTA COLORADO

Chelsea is a Strategic Intelligence Analyst with the Rocky Mountain High Intensity Drug Trafficking Area (RMHIDTA). She is a primary contributor to the annual RMHIDTA regional Threat Assessment and The Legalization of Marijuana in Colorado: The Impact reports. Chelsea will explain the findings of Colorado's legalization effects.

#### ▶ STUART GITLOW, MD, MPH, MBA

Dr. Gitlow is the Executive Director of the Annenberg Physician Training Program in Addictive Disease and the Immediate Past President of the American Society of Addiction Medicine. Dr. Gitlow, board certified in both general and addiction psychiatry, is the Past Chair of the American Medical Association's Council on Science & Public Health. He will address how today's marijuana is addictive, what is recommended for prevention and treatment.

#### ▶ JODY BELSHER, CRSS

Producer/Director of the award-winning documentary: The Other Side of Cannabis: Negative Effects of Marijuana on Our Youth, Jody will present a clip of her film. Jody is a Master's candidate in Addiction Studies, a Certified Recovery Support Specialist and Certified Lifestyle Coach.
